Translation registration form for pitchers Hacking Health Amsterdam 2021

How nice that you, as a pitcher, want to contribute to Hacking Health Amsterdam 2021! Use the form below to submit your pitch to us. By introducing a problem/bottleneck/challenge that you see in care and welfare, you contribute to improving care and health in and around Amsterdam. When your pitch is selected, you will be working during the hackathon on 28 (from 2 p.m.), 29 (full day) and 30 October (until 3:15 p.m.), so make a note of these dates in your agenda.

You can register your pitch until and including Sunday 3rd of October. On Wednesday 6th of October we will announce whether your pitch has been selected for the hackathon.

Do you prefer to discuss your pitch with the HHA organization prior to registration? That is possible! Send a message to amsterdam@dutchhackinghealth.nl and we will plan a consultation by phone.

Do you want to register as a hacker for HHA 2021 click here.

First name:

Surname:

E-mail address:
        Please keep an eye on your mailbox, also during the autumn break.

Address (we will send you something in advance):

City:

Postal code:

Phone number:

Organization:
        Which organization or company do you work for?

Job title:
        What is your job title?

Expertise:
        What type of expertise will you bring? Multiple answers are possible.

- Hands-on expert
- Healthcare
- Design/creative
- Technology
- Data

- Digital (e.g. ehealth)
- Business/financial
- Policy/management
- Other

Description pitch (max. 50 words):

Describe in a short summary the bottleneck/problem/challenge you want to work on during the hackathon: What is it, why is it a problem, in what type of context does it occur, etc. Try to be as specific as possible.

Description target group:

For which target group is the pitch relevant and how do you know this?

Catchy title of the pitch (max. 6 words):

For instance note the subject or the result you want to achieve. Examples to inspire you: 'Recovery without a language barrier.'or 'Story in your own hands.'

Motivation for participation:

Summarize why you would like to participate in the hackathon and what you hope to achieve.

Hands-on expert:

As a pitcher you always submit a bottleneck/problem/challenge that is relevant to you. As a healthcare professional you have experienced this problem, or as a caretaker you have seen this problem, or as a citizen, patient, ex-patient or client you have experienced this problem and you would like to solve it to improve your health. This is what we call a hands-on expert.

Are you a hands-on expert on the topic of your pitch or do you have direct contact with a hands-on expert?
- Yes, I am a hands-on expert
- Yes, I have direct contact with a hands-on expert
- No, none of the above

Preparatory workshop
As a pitcher we expect you to join our preparatory workshop. During the workshop you will:
- get to know some of the other participants
- receive information regarding the program of the hackathon
- learn more about the basic principles of Human Centered Design
- practice with the online whiteboard Miro and online tool Webex
The workshop is online with a duration of 1.5 hours. You can select which date and time suits you best.

I will participate in the preparatory workshop on:
- Tuesday 12th of October, 19:30 – 21:00
- Friday 15th of October, 09:30 – 11:00
- Monday 18th of October, 19:30 – 21:00
- Tuesday 19th of October, 09:30 – 11:00

How did you hear about HHA? Multiple answers possible

- Via one of the involved organizations/partners
- I participated in an earlier edition of Hacking Health Amsterdam
- Via LinkedIn
- Via Instagram
- Via Facebook
- Via the Hacking Health Amsterdam website
- Via the Dutch Hacking Health website
- Via the Hacking Health Amsterdam mailing
- Via somebody I know
- Other

Many non-native speakers live and work in a metropolis like Amsterdam. In the 2020 edition, there were two English-speaking teams. That is why we would like to know from you:
Are you open to being placed in a team with English speakers?
- Yes
- No

Anything you would like to add?
If you have any remarks, suggestions or questions regarding the registration form, you can submit them here.

We will securely process your data in compliance with the privacy legislation, you can find the privacy statement here (in Dutch).

Permission
- Yes, I agree with and am aware of the privacy statement, and approve that my data will be processed and stored securely.

By participating you agree to the terms that photos and videos will be taken during the event and may be used by the organization and partners. Furthermore, you agree on receiving mailings after the event by Hacking Health Amsterdam and/or SIGRA for similar events.

Permission images and mailings
- Yes, I give permission for the usage of taken photos and videos, and receiving mailings.
